Total	42

FUNCTIONS AND DUTIES OF DIRECTOR, LAND RECORDS

The main functions of the Director are to assist the Deputy Commissioners and Commissioners in the maintenance of record of rights and revenue registers and to advice the Financial Commissioner, Revenue and the Government on these matters. He has no administrative functions; his

business is to inspect advice, record and report. Among the principal duties of the Director Land Records are:-

- (a) Land Records, the Kanungo and Patwari establishment and Patwari Revenue Training and its establishment.
- (b) Crops and price reports, weather report, returns of agricultural statistics.
- (c) Rain gauges.

The Director is the Head of the Department as regards income from:-

- (1) Mutation fees;
- (2) Copying and Inspection fees of Patwari's records;
- (3) Copying fee for the preparation of produce statement and five yearly abstracts of yields; and
- (4) All expenditure on contingencies connected with the Kanungo and Patwari establishment and with the revenue records.

Besides the above, the Director, Land Records holds the following Departmental Examination:-

- 1. Naib Tehsildars;
- 2. Kanungos;
- 3. Patwaris

The Director of Land Records is also Inspector General of Registration. As Inspector General of Registration he is the Head of Registration Department. He exercise general superintendence over all the Registration offices and has powers to make rules consistent with the Indian Registration Act as defined in section 69 of the Indian Registration Act, 1908. Inspector General Registration inspects the offices of the Sub-Registrars and Registrars to point out deficiencies of stamp duty and registration fees and also for the destruction of such books, papers and documents as need no longer be kept. The examination of Documents Writers/Registration Clerks is also conducted by the Inspector General of Registration.

The Director of Land Records also functions as Registrar General of birth, death and marriages. He is custodian of the records of birth, death and marriages under the Indian Christian Marriages XV of 1872 Act. The Director Land Records is also the Special Collector, Haryana. All such cases the lands

of which fall in two or more districts come up for adjudication before the Special Collector under the provision of Ceiling on Land Holdings Act, 1972.

FOLLOWING SCHEMES ARE ALSO BEING IMPLEMENTED IN THIS DIRECTORATE

1. PREPARATIONS AND ISSUANCE OF KISAN PASS BOOKS.

In order to remove the dependence of the farmers on the Patwari and to facilitate them to get loans from the financial institutions, the Haryana Kisan Pass Book Act, 1994 has been enacted. So far 845947 Kisan Pass Books have been prepared out of which 748871 have been distributed to the farmers in the State.

2. DIGITAL LAND RECORDS MODERNIZATION PROGRAMME.

The main objective of the DILRMP (erstwhile NLRMP) is to develop a modern, comprehensive and transparent land records management system in the country with the aim to implement the conclusive land-titling system with title guarantee. The progress is as below:-

- i. Computerization of all land records:** out of 7088 Jamabandis, 7010 have been computerized. Mutation registers are now maintained online. Girdawri is being computerized through mobile tablet based survey method. Pilot testing has been done in some districts with good results. The data of 7088 jamabandis has been put on website <http://Jamabandi.nic.in>. out of 7088 jamabandis, 7010 jamabandis have been computerised, 6556 have been made online, 454 put offline for updation, 42 jamabandis are under consolidation and 36 Jamabandis are found not feasible.
- ii. Computerization of registration process and its integration with land records:** Computer centers in all the Tehsils and Sub Tehsils have already been set up and Records of Right services have been started through computers at all the Tehsils/Sub Tehsils, where HARIS & HALRIS have been integrated. Out of 7088 total number villages, 6460 villages have been integrated with HARIS and HALRIS Software for jamabandis. Process of

issuing copies of land records from the record rooms has also been computerized. The matter is under Arbitration.

- iii. **Survey/re-survey and updation of survey:** 121 primary and 589 secondary control points have been established. The digitization of cadastral maps of entire state was outsourced, through open bidding, with HARSAC as implementing agency. The matter is under Arbitration.
- iv. **Updation of all survey and settlement records:** Target was to scan and index the settlement record mussavis of 7030 villages. There are 64346 mussavis – all have been scanned and indexed by HARSAC. However as per standard Design Document updation of mussavis, meta-data, Geo-reference and linking with RoRs yet to be done.
- v. **Creation of modern record rooms:** Modern Record Rooms are being set up at all the tehsil/sub-tehsil level in the State under the NLRMP scheme @ Rs. 25.00 lakh for each Modern Record Room have been sanctioned. 100 servers, 1160 computers, 274 MFDs, 100 Online UPS, Wi Fi cards sites, 1961 Nos Compactors and Operating system for servers have been procured and supplied to the Tehsils for setting up of Modern record room in the State. During FY 2017-18 it is proposed to issue digitally signed copies of RoR to the citizens.
- vi. **Development of core GIS :** HARSAC which is a nodal agency for Geo-spatial work in the State has been entrusted to accomplish the job under NLRMP. Four companies have been identified by HARSAC for the purposes, who are implementing this project. Currently this component of the project is at a standstill on account legal issues/arbitration.
- vii. **Capacity building:** A capacity building centre has been set up in the premises of Directorate of Land Records, Haryana, Panchkula. The capacity building centre has become operational and so far 1832 Revenue officials have been imparted training of various durations. 1000 Patwaris were provided “one year” training here.
- viii. **Expenditure:**

During Financial year 2016-17 an amt. of Rs.1950.00 lakh (Rs. 1850.00 lakh Centre share and Rs.100.00 lakh state share) has been sanctioned. Out of which an amt. of Rs. 97.41 lakh (Rs. 88.86 lakh Centre share and Rs. 8.55 lakh state share) has been spent.

ix **PILOT PROJECT - Aadhaar linking of land records:** Revenue Records of all

Land owners in each district will be linked with Aadhar No. during the next 3 years. A pilot project for linking of RoRs with Aadhar nos. in Jind district amounting to Rs. 2.96 crores was prepared and sent to GOI for approval and release of funds. Against the proposal Rs. 1.39 crores was sanctioned and Rs. 80.00 lakhs has been released by GOI for initiating the project in District Jind. So far entire released amount has been utilized for procuring the infrastructure for implementing the project. Further, the project for linking RoRs with Aadhaar number was prepared for districts Karnal and Panipat with an estimate of Rs 8.30 Crores and sent to Ministry of Fertilizers, GOI who also intend to do a pilot project. Furthermore, to cover the whole State, a project for remaining 18 districts was prepared with a cost of Rs. 86.50 crores and sent to DoLR, Dept. of Rural Development, GOI for sanctioning and release of funds. Sanction is awaited from Government of India.

- x. **Budget 2017-18:** An amount of Rs. 1434.73 lakh (Rs. 884.73 lakh Centre share and Rs. 550.00 lakh State share) has been sanctioned for financial year 2017-18 for smooth functioning of this scheme.

3. AGRICULTURAL CENSUS

It is a 100% Centrally Sponsored Scheme. The Govt. of India gets Agricultural Census conducted after every five years. Presently, it has been decided by the Government of India, Ministry of Agriculture, Deptt. of Agriculture & Co-operation, to conduct the 10th. Agricultural Census with 2015-16 as the base year. Training has been imparted to the field staff. The work of the 10th Agriculture census is in progress at field level. The work of Agriculture Census Phase-1 and

Phase-2 is to be completed during next 3 years. An amount of Rs. 135.00 lakhs has been sanctioned for financial year 2017-18 for the smooth functioning of this scheme.

4. MINOR IRRIGATION CENSUS

It is a 100% Centrally Sponsored Scheme. It is being implementing since 1986-87 in Haryana as per the guidelines received from the Ministry of Water Resources (Govt. of India). The purpose of this scheme is to ascertain the extent of irrigation from Minor sources having Cultivable Command Area up to 2000 hectares. It gives information of irrigation potential created and potential utilized which proves very useful for the Planner and Research Scholars in the Irrigation and Agricultural Sector. So far, four census have been conducted in the country taking 1986-87, 1993-94, 2001-02 and 2006-07 as the reference years. The preparatory work of filling up the schedules with base year 2013-14 is in progress at field level in respect of 5th Minor Irrigation Census. The data of 7088 villages have been completed and 100% data of 5th Irrigation Census has been received from the field level. The data entry work will be started shortly. An amount of Rs. 123.00 lakh has been sanctioned for financial year 2017-18 for smooth functioning of this scheme.

THE PROCEDURE FOLLOWED IN THE DECISION-MAKING PROCESS INCLUDING CHANNEL OF SUPERVISION AND ACCOUNTABILITY.

On receipt of fresh dak/file, the same are dairies by the receipt clerk and sent to the concerned branches through Head of their branches. The Record keepers of the concerned branches, put up the same to the concerned Assistant/Superintendent and thereafter the files are routed through concerned branch officers and finally disposed of by the Director General being Head of the Department.
